Employment application

Bonjour!

Thank you for submitting this application to work at the French Twist Café. Our team is chosen very carefully as they are the face of the business. We have high standards for ourselves, and we expect the same from everyone who works here.

The mission of The French Twist is to introduce its customers to specialty coffee and authentic French cuisine in a unique and comfortable environment.

It is not necessary to have any experience in the food industry or as a barista to apply for a job at the French Twist but all of our employees are expected to be social, energetic, enthusiastic, punctual, dependable, flexible, hardworking and service oriented.

You will be trained to do every job needed to run the business including making crêpes and coffee, taking customers 'orders, preparing food, cleaning and doing dishes.

You must be available to work weekends (both Saturdays and Sundays) or your application will not be considered.

We hope you can join our team and be part of our "family" here at the French Twist where customers meet for Coffee, Crêpes and Conversation... We are looking forward to meeting you in person during your interview.

Hélène Taylor
and her management team.
